Computer System Assignment
(100 Points)

1. Cut out a picture of a computer system that you find in a magazine, sales catalog or on-line. Glue the picture of the computer system to a piece of un-lined paper. Title the paper appropriately, for example, "(Put in your name) Computer." **List its' brand name and model number.** Neatness counts! Label the following parts, if applicable:

Monitor
Keyboard
CD/DVD Drive
Mouse
Screen
System Unit (CPU)
Speakers
Printer

2. Find three of the items below and glue them on your piece of paper. Label them appropriately.

Printer (specify if it's a Laser, Ink-Jet, etc.)
LCD Projector
Graphics Tablet
Scanner
Web Cam (Computer Video Camera)
Digital Camera
Personal Digital Assistant
USB Memory Key
ipad
